TO THE HONORABLE JUDITH K. FITZGERALD,  
UNITED STATES BANKRUPTCY JUDGE:

Conway, Del Genio, Gries & Co., LLC ("CDG") files this eleventh interim application (the "Application") for allowance of compensation for financial advisory services provided to the Official Committee of Asbestos Property Damage Claimants of W.R Grace & Co., et al. (the "PD Committee") commencing October 1, 2003 (the "Commencement Date") through and including December 31, 2003 (the "Compensation Period") and reimbursement of its actual and necessary expenses incurred during the Compensation Period, and respectfully represents:

### Introduction

1. Pursuant to the Order of the Court dated October 22, 2001, (the "Retention Order"), CDG was retained as financial advisor to the PD Committee to perform services set forth in our affidavit dated June 15, 2001.

2. By this Application, CDG requests an interim allowance for professional services rendered during the Compensation Period and reimbursement for actual and necessary expenses incurred during the Compensation Period. CDG is a financial advisory firm specializing in reorganization and restructuring of troubled companies. CDG's senior professionals have extensive experience with the reorganization and restructuring of troubled companies.

### Background

3. On April 2, 2001 (the "Filing Date"), the above-captioned debtors (the "Debtors") filed with this Court a voluntary petition for relief under Chapter 11 of the Bankruptcy Code. Pursuant to sections 1107 and 1108 of the Bankruptcy Code, the Debtors operated its business and managed its properties as debtors in possession.

4. On April 2, 2001, the Court entered its Order directing the joint administration of the Debtors' chapter 11 cases (the "Consolidated Cases").

5. On April 12, 2001, the Office of the United States Trustee appointed the PD Committee in this case consisting of Mr. Marco Barbanti, Princeton University, Pacific Freeholds and Prudential Insurance Company. The PD Committee held its organizational meeting on that day and selected Mr. Marco Barbanti to serve as its Chairman. Thereafter, the PD Committee was expanded to include Paul Price, Anderson Memorial Hospital and the Catholic Archdiocese of New Orleans. The PD Committee subsequently elected Mr. Dan Speights, representative of Anderson Memorial Hospital, as Co-Chairman of the PD Committee.

6. The PD Committee represents the interests of the asbestos property damage claimants in the Consolidated Cases.

7. On April 27, 2001, the PD Committee chose to retain CDG as its financial advisor. By application, dated July 6, 2001, the Applicant sought Court approval for its retention as financial advisor to the PD Committee nunc pro tunc to April 27, 2001.

8. Pursuant to the Retention Order, the Court authorized the PD Committee to retain CDG as financial advisor at a rate of \$150,000.00 per month for twelve months and \$100,000.00 per month thereafter, plus reimbursement of actual and necessary expenses nunc pro tunc to April 27, 2001, pursuant to Sections 1103(a) and 328(a) of title 11 of the United States Code. The Retention Order conditioned the Applicant's compensation on approval by this Court.

CDG also requests an allowance of \$48.17 as reimbursement for actual and necessary expenses CDG incurred during the Compensation Period. CDG, in its normal course of business, bills its clients a flat monthly fee and does not charge by the hour. Thus, CDG does not normally keep time records. However, for the benefit of the Court, CDG is recording its hourly time and has provided summaries of the time spent by professionals during the Compensation Period, attached hereto as Exhibit A. CDG has provided supporting detail of the expenses incurred, attached hereto as Exhibit B.

During the Compensation Period, CDG made itself available to address the needs, issues and questions of the Committee with respect to the Debtors' operations, business performance and financial results. As a result of ongoing legal actions, minimal bankruptcy activity occurred during the Compensation Period. CDG's flat fee structure takes into account periods of high and low case activity as exhibited by the work load incurred by CDG in 2002 and this Compensation Period. CDG anticipates a significant increase in services provided as soon as the current legal action is resolved.

20. There is no agreement or understanding between CDG and any other person, other than members, associates and employees of CDG, for the sharing of compensation received or to be received for services rendered in connection with these proceedings.

21. CDG has not entered into any agreement, express or implied, with any party in interest, including the PD Committee, the Debtors, other creditors, or any representative of any of them, or with any attorney for such party in interest, for the purpose of fixing the fees or other compensation to be paid to CDG for services rendered in connection herewith, from the assets of the Debtors.

---

<sup>1</sup> CDG is currently engaged by the PD Committee at a flat fee of \$100,000 per month plus expenses. For the Compensation Period, total fees for services provided are \$300,000. Since July 10, 2002, CDG has allocated our fees between the bankruptcy case and the fraudulent conveyance adversary proceeding, based on hours dedicated to performing services related to each. A settlement agreement in the adversary proceeding has been filed with the District Court and is awaiting final judicial approval. Therefore, we do not anticipate performing any additional services related thereto, nor do we expect to file any additional fee applications for fees or expenses related thereto.

Services Provided

22. During the First Interim Compensation Period, CDG provided the PD Committee with experience and expertise in dealing with matters relating to the Debtors' businesses and historical operating trends, the Debtors' business plan, industry trends, proposed acquisitions by the Debtors, the Debtors' employee retention and incentive plans, trends for asbestos litigation and corresponding insurance coverage as well as a number of other items. For each transaction, CDG reviewed all documents filed with the Securities and Exchange Commission that we deemed to be related to the transactions (meaning those documents filed within a period of time either before or after each transaction). Such documents included, but were not limited to, purchase agreements, bank agreements, S-4 filings, 10K and 10Q filings, and press releases. In addition, we performed ancillary research for other pertinent transaction information including security analyst reports and various other items. All analyses were based upon publicly available information.

In addition, CDG reviewed, analyzed and reported to the PD Committee on the Debtors' current operating results, potential acquisitions, and the employee retention and benefit plans, and has actively participated on weekly committee conference calls with the PD Committee.
